We bought "Blacky" on 4/28/2018 at the Midwest Sale in Winfield, KS. She was born the day of the sale in a rainstorm. Her dam was cranky and Blacky had no idea what was going on. They have both found a great home at Crossfire Longhorns and are foundation cows in our herd. Blacky has grown to be an amazing Texas longhorn. She is true black, 80" TTT before her 5th birthday and has a TCC 50 Bullets heifer calf at side!
